

MANEESA JOHNSON

GRADUATE WEB DEVELOPER

The list of skills I have keeps on growing. The best thing about the web industry is that there is always something new to learn, whether it's new software, a new framework or a new design trend or concept, this industry keeps you busy.

EDUCATION

SAE institute/Middlesex University
BA/BSc (Hons) Web Development

Notable Modules: HTML/CSS, Javascript, Principles of design, PHP/MySQL, HCI, Flash, Unity Game Design, Java, Android, SEO, Accessibility, E-learning, Marketing & Business.

PROJECTS

www.lippy lipstick.com

A website designed to find lipstick colour matches using HTML Canvas.

HOBBIES

I love all things related to gaming. I also have an interest in Japanese culture and arts. You'll often find me watching weird and wonderful documentaries in my spare time when I'm not working on projects.
